

## ELECTIONS TO FIFE HEALTH BOARD

I hope you have had the chance to read my candidate statement

I'm Bill Walker and I live in Tarvit Avenue, Cupar.

It has been my privilege to have served as a voluntary public representative in the Fife Health Board area for many years; a role which I have enjoyed immensely and which has enhanced my skills, knowledge and experience.

I now seek election to the Board, and would greatly value your support.

My current involvement is:

Fife Health Board:

- Member, Clinical Governance Committee
- Member, Patient Focus and Public Involvement Committee.

Glenrothes and North East Fife Community Health Partnership (CHP):

- Member, CHP Committee
- Member, Clinical Governance Group
- Chair, Public Partnership Forum

My priorities are:

Better care in the community  
More access by the Public to Health Board  
decisions which I will champion;

Local access to me on your concerns

If you feel I have proved my suitability, I hope you will vote for me as a Board Member.

**IT'S OUR HEALTH SERVICE AND IT MATTERS.**

Yours in Good Health
